

ARE DELIGHTED TO SPONSOR THE 2018 BRAVERY CATEGORY

Next year VES will be celebrating 10 years of business providing teachers and classroom assistants to schools across South Wales. Over the past 10 years we have served 1000 Schools with 10,000 Teaching Staff.

We offer a personal approach to our Primary & Secondary schools and first class candidate care, with a highly professional service.

We look forward to welcoming you on board very soon!

“Valley have proved that not all agencies are the same! They really listen to what you want and aim to get it for you! Thank you for changing my opinion and restoring my faith in supply agencies.”

5 Georgia Kent*

VES consistently provide us with high quality, reliable Teachers and Teaching Assistants and always ensure that the personnel are the right ‘fit’ for our school. The Swansea team are professional, but extremely personable and are always ready to fulfil our requirements, often with very short notice.”
